

Marie Cartapanis

Maître de conférences (associate professor)

Aix-Marseille University

BRIEF BIOGRAPHY

Marie Cartapanis is associate professor at Aix-Marseille University, teaching Competition law, Intellectual property law, EU Market law, Commercial law and Fundamental human rights. Her thesis, under the supervision of Professor David Bosco, “Innovation and competition law”, published by LGDJ, offers a substantive analysis of the relationship between competition law and innovation. The thesis obtained the Institut Universitaire Varenne Prize in Economic Law and the First Prize of Law and Political Science Faculty of Aix-Marseille University. Marie is currently in charge of the chronicle on unilateral practices in the Concurrences Review. She is interested in the various influences between law and innovation.
